## Income and assets statement

This is an annex to the application for legal aid or application for the use of an Income Statement. It must be filled out by persons who have any income and/or assets abroad in the reference year, or persons who earn a tax-free income.

On the form you list the annual income and/or assets. That concerns the income in the second year preceding the year in which the application is submitted ('reference year'). You should also list your assets in that reference year.

Please complete in block capitals.
